Section 8 – Other Events

ITEM 8.01 Other Events

Dolby Laboratories, Inc. (the “Company”) announced that each of (i) Dagmar Dolby, as Trustee of the Dagmar Dolby Trust under the Dolby Family Trust Instrument dated May 7, 1999, and (ii) Dagmar Dolby, as Trustee of the Dagmar Dolby 2016 Trust B, dated March 23, 2016 (collectively, the “Dolby Trusts”), adopted a Rule 10b5-1 trading plan (collectively, the “2018 Trading Plans”) in the second quarter of fiscal 2018. Dagmar Dolby, the Company’s principal stockholder, is the widow of the Company’s founder, Ray Dolby, and mother of David Dolby, a Company director.

The 2018 Trading Plans were established as part of the Dolby Trusts’s investment strategies for asset diversification and liquidity over time. The 2018 Trading Plans were adopted during an “open window” in accordance with guidelines specified by Rule 10b5-1 under the Securities Exchange Act of 1934, as amended, and as permitted by the Company’s insider trading policy.

An aggregate of up to 2,600,000 shares of the Company’s Class A Common Stock (or approximately 5.9% of Dagmar Dolby’s aggregate direct and indirect holdings as of March 2, 2018) could be sold under all of the 2018 Trading Plans collectively. Pursuant to the terms of each 2018 Trading Plan, sales thereunder are permitted to commence in April or May 2018, will be based upon pre-established stock price thresholds, will be subject to daily volume limits, and will continue until the earlier of April 2019 or the sale of the maximum number of shares as set forth in each such 2018 Trading Plan. Actual sale transactions will be disclosed publicly through filings with the Securities and Exchange Commission, to the extent required by law.

Rule 10b5-1 allows persons who may be considered insiders to adopt pre-arranged written plans for trading stock. Such a plan establishes predetermined trading parameters that, among other things, do not permit the person adopting the plan to exercise subsequent influence over how, when or whether to effect trades under the plan. Once a plan has been properly adopted, trades may be executed pursuant to the terms of the plan at times when the person would otherwise be restricted from trading by applicable insider trading laws and regulations. Trading plans are designed to allow persons to sell shares in an orderly fashion for asset diversification, liquidity, tax planning and other purposes when they might otherwise be restricted from doing so due to material, non-public information that they might possess at the time of the sale.

The Company does not undertake any obligation to report Rule 10b5-1 trading plans that may be adopted by any of its officers, directors or stockholders in the future, or to report any modifications or terminations of any publicly announced plan, except to the extent required by law.
